

With the strange times we find ourselves in we are introducing a delivery service with a limited choice from our menu with items we feel will travel well - wherever possible we will use recyclable or biodegradable packaging so it needn't cost the earth!! (See what I did there??)

We will offer hot food delivery together with some options delivered chilled for consumption within 48 hours (these items will need refrigeration).

This will be a pre-paid, no contact, delivery service only to help minimise any health issues for you and our staff. Orders will be left on the step and the driver will ring you to confirm delivery.

The driver can't accept cash and will not carry any cash. If you feel you would like to add a gratuity, this can be done at the time of order - all gratuities will be distributed fairly between the staff.

Hot delivery service is Wirral only, within a 4 mile radius of the restaurant.

Separate Afternoon Tea (24 hour notice) and Chilled Menus are available, again Wirral only but beyond 4 miles. Mon - Sat 12noon - 4pm
